Something old, something new, something borrowed, something blue. No, we're not getting married (far too many hot babes kicking around to tie the knot just yet!), but that seems to be what we've rustled up this month. Something old being a stunning set of global sex goddess Veronica that turned up down the back of a filing cabinet and deserved to see the light of day after a couple of years of obscurity, while in the new category we have Ronnie, Maria, Anna and Lisa. The car, sadly, was borrowed, while the blue is... well, the whole mag, really! – The Ed. ♣

SOUND AS A POUND!

That's right – your eyes do not deceive you – this month readers of *Club* can grab a slice of red hot Paul Raymond TV (on Sky channel 911) for only £1! In amongst all the other bountiful babes on the channel over the next 4 weeks, you'll be able to check out the likes of Stella, Sandy, Jana and Nikki Blond shaking their booties like their lives depend on it, which has got to make it the best value for a quid since... well, ever! For full details check out pages 2-3, but meanwhile, here's a taster of the girls who could be gracing a living room near you this March!

THE WIFE OF RILEY

I've been a big fan of your magazine ever since I was a spotty-faced student. These days I'm 28 and, having recently split up with my long-term girlfriend, decided it was about time I finally fulfilled a few long-term fantasies, one of which going with an older woman. Not exactly a MILF or anything, but someone who was a bit older than me and knew exactly what they were doing – and what they wanted!

Anyway, following a friend's advice I got myself on the internet, and soon started

chatting to a woman called Catherine. A very well preserved 35, with a 34D chest, and – luckily for me – a much older hubby who'd given her free license to play the field – or at least turned a blind eye to whatever she got up to.

Sitting in the café waiting to meet her that first time was actually quite nerve-wracking.

What if she had just been all talk and now she'd bottle out of it? Suddenly a curvy brunette walked up to my table and sat herself down opposite me.

"Alex?"

Clearly still nervy, I stammered back;

"Um, yes, hi. You must be Catherine, right?"

"No need to be nervous," she

laughed. "I don't bite."

I smiled and waited for her to add something like "Unless you want me to." In fact she just fixed me with a wicked look and then said, "But I do swallow."

"I parted her lips with my thumbs and began to savour her..."

I'd have got up to leave with her right then – but we had to wait five minutes for my stiffy to go down enough for me to stand up!

Getting back to mine, I guided her into the bedroom. As we started snogging I pushed her back against the wall of the

SHEIL' DO FOR ME!

As an Aussie ex-pat (well, for a year, at any rate) can I say thank you for reminding me just what I'm missing back home with those pictures of Saffron and Kiki last month? I've been telling my mates here how hot Aussie women are compared to English girls (who seem to spend their whole time wrapped in far more clothes than is strictly necessary, even given the shitty climate!), and those girls last month really gave me the proof I needed to convince them. The only trouble is, it's got me feeling a bit homesick. Please God the summer'll be a good one here, otherwise I don't think I'll be able to stand it!

In the meantime, if you've got any more pics of these two – or any other Aussie girls, please make sure you put them in Club before I fly home in October. Cheers!

Darren, London.

bedroom, so I could press my crotch against her and let her feel just how hard my cock was for her. I could also get a good feel of her boobs through her blouse.

"Do you just want to grope me? Or are you going to get me on that bed?" She asked, archly. Well, there was certainly no doubting that this woman knew exactly what she wanted – and she wanted it now!

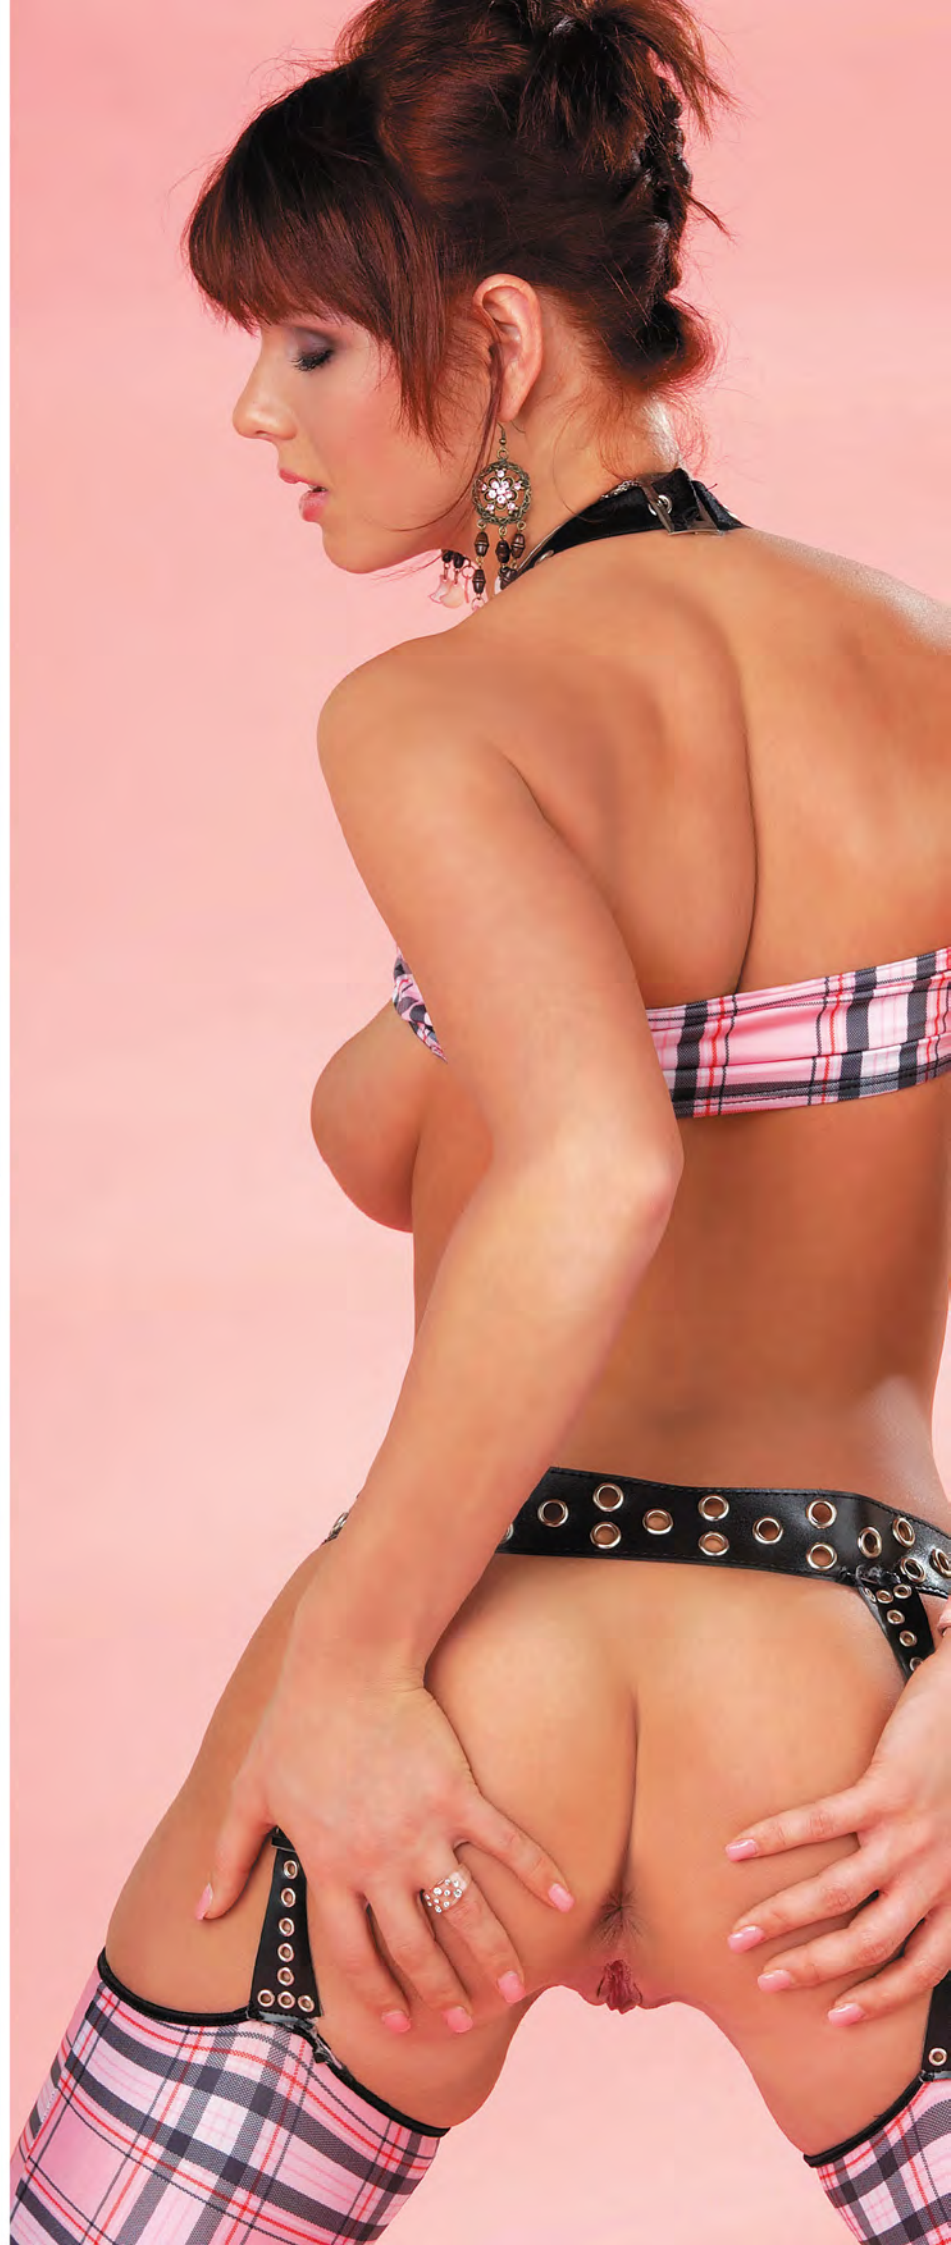

I moved her away from the wall and towards the bed. She collapsed back onto it, with her skirt riding up as she lay there. I started tugging off my clothes

Ah, that's it alright! Blimey, it's uncanny. Please tell us that you don't have the same luck with the fellas as Dawn, though, who just seems to go from one useless prick to the next.

"I wouldn't say I'm that unlucky, no! In fact I've attracted quite a few guys recently who were alright – but I'm not looking to settle down just yet!

We're glad to hear it! So what exactly is it you look for in a man?

DOWN THE WIRE

What's been keeping Club's network of global correspondents busy this month?

THUG-LIFE RAP IDIOT 'FESSES UP ON RECORD

When a person or persons unknown shot and seriously wounded a man named Chad Blue in Dublin, Georgia in 2006, Blue was unable to give cops the smallest clue as to the identity of his would-be killer. However, all this changed after Chad Blue happened to hear 25-year-old gangsta rapper by the name of Rico Todriquez Wright boasting in a rap on the CD *Hitting Licks for a Living*: "Chad Blue knows how I shoot!" and recognised his voice.

Wright has since been captured, tried, and was recently sentenced to a minimum of 20 years in a federal penitentiary. 10 years of which are believed to be for gross stupidity.

BIG TITS BACK-PAIN SWEDE SEES BENEFITS BOUNCED

The Swedish Social Insurance Agency recently stopped Jessica Andersson's disability payments for lingering back pain, which she has suffered since an accident at work in 2003. The agency's medical report ruled that Andersson's back pain would have subsided, enabling her to return to work, if she had taken the trouble to undergo breast-reduction surgery on her massive Nordic bristols.

DUMB AS A BAG OF HAMMERS

Thirty-one-year-old thickie Muoi Van Nguyen was recently collared by police in Spokane Valley, Washington, charged with breaking a window with a hammer at a state liquor store and grabbing a bottle of cheap wine. It turns out that this was the culprit's second attempt to get the bottle. On his first attempt he had failed to break the windowpane with a rock. He decided a hammer would do him the job and land him his \$9 bottle of vino, went to a nearby store, where he bought a nice claw hammer job for just \$11.

"Shorts off, too."

"Assertive!" I joked.

"You took the words right out of my mouth."

"Don't worry, I'll replace them with something else soon enough..." I said, now growing in confidence. Dirty talk like this was new to me, but I was starting to enjoy trying to keep up with her.

In a few moments I was lapping at a warm, shaven,

FEELING PEACHY

Every month I like to look through the latest Club with my missus, and we usually end up shagging each other senseless after we've read the letters, but she's still holding out on any backdoor fun, insisting that most women don't like anal sex and that men who like it are just closet gays! Now can you think of any arguments I can make to her that might change her mind, and finally allow me some access to her gorgeous bum?

Greg, Manchester.

Hmm, well, if it's any help, we can tell her that we've never met a single girl who, once they'd tried it, didn't find that anal sex was one of the most intense sexual experiences they'd ever enjoyed. Honest! – Ed.

moistening cunt. I ran my tongue the full length of her, then parted her lips with my thumbs and began to savour her. Pushing my tongue inside her, I tasted her wet cunt and began to eat her out. She moaned and ran her fingers through

my hair. Pulling my tongue out, I then moved it up and onto her clit.

Fastening my lips around it, I began to gently suck on it, all the while flicking it with the tip of my tongue too. Her moans got louder still when I pushed a couple of fingers inside her. Moving them around the inner walls of her cunt, I gently when I found her G-spot. Having found it, I made it three fingers inside her so I could apply more pressure to it as I teased her clit. I made sure my fingers pressed against that magic spot as I finger-fucked

MORGAN MEETS THE EYE

I haven't bought *Club* (or any other top shelf, come to that) for a couple of years – ever since I got together with my current girlfriend, in fact – but when I caught sight of Morgan on the cover of February's issue, I quickly decided it was about time I took the plunge again... and am I glad I did! I know *Club* is more traditionally associated with fairer, blonde-haired girls, but personally I don't think you can improve much on a babe like Morgan. With that picture on page 49, I can just imagine she's holding her sweet little pussy open had lowering herself down onto my throbbing tool – I can't even begin tell you how much pleasure I've had from that page alone!

Of course now I've got a girlfriend I'm having to be a bit surreptitious with my copy of the mag, but I think I'm going to have to check it out again before long – especially if you can promise you'll be featuring Morgan again in the not too distant future!

Anthony, Southend.

Don't worry, mate – we'll be chasing Morgan up again just as soon as we can. – Ed.

IN THIS MONTH...

LITERATURE:

27 YEARS AGO: The Jupiter Effect!

1982: "Popular astronomers" John Gribbin and Stephen Plagemann sit back complacently as hundreds of thousands of people all over the world run around shrieking in terror, having believed the two science author's ghastly predictions in their best-selling book of bollocks *The Jupiter Effect*.

Their book had proclaimed that, since all the planets in our solar system would come into alignment on a particular day (actually a true fact) the result of their stellar grouping would be catastrophic to our planet, resulting in earthquakes, tidal waves, nose-bleeds and what-not and just about every kind of natural horror imaginable.

But guess what. Nothing happens.

Two years later bookstore windows will fill up with Gribbin and Plagemann's brass-necked follow-up, *The Jupiter Effect Revisited*, in which they posit that even though nothing happened they had been right, because, you see, the events they predicted would occur in spring 1982 had happened two years "early", and they pointed to the 1980 eruption of Mount St Helen's as "evidence" of this. Despite the fact the second book flopped, Gribbin's science books still continue to be written and sold. And, to be fair, he does say of the *Jupiter Effect* theory in his 1999 tome *The Little Book of Science*: "I'm sorry I ever had anything to do with it."

SPACE EXPLORATION

40 YEARS AGO:

1969: And it's up, up and away, in the nose-cone of a Saturn V out of Kennedy Space Center, Florida, for Apollo 9 astronauts Jim McDivitt, Dave Scott, and their goggly-eyed, ginger-haired mascot "Rusty" Schweickart. The mission introduces the world to the weird but wonderful Lunar Module (designed – appearance-wise – by Arthur C Clarke) and the shiny new NASA spacesuits.

Though the world is led to believe that the module is the focus of the mission, the truth is that NASA wants to see if the new spacesuits work or not, because "Not" would be very bad. To this end, the mission never ventures further than low Earth orbit, and "Rusty" is instructed to exit the Command Module and do a little dance in space that Dave

Scott can film to see if his little red-haired colleague will implode. Or mutate.

He doesn't, and the new suits earn the official NASA seal of approval. Which is just as well, since the only fall-back, other than the crap old suits (attached to the spacecraft by an umbilical) was the jeans, T-shirts and "oxygen pills" space walk method popularized by Steve Zodiac and his saucy girlfriend Venus in Gerry and Sylvia Anderson's groundbreaking but technologically suspect TV puppet thriller series *Fireball XL5*.

TECHNOLOGICAL MILESTONES

36 YEARS AGO:

1973: Father of the mobile phone, Chicago-born electrical engineer Dr Martin Cooper, makes the first ever cellular phone call from a handset... standing in the middle of the sidewalk with baffled and apparently already faintly pissed-off passers-by staring at him chattering into a phone with no wires. His call is to his telecom competitors at Bell Labs, basically telling them they can go eat shit because he's only gone and invented the fucking thing first.

Cooper, now a mere 80 years young and still kicking, waits until later in the year to file the patent on his invention, and subsequently tells reporters that he got the idea for the cell phone from watching Captain Kirk and crew flip open their communicators on *Star Trek*.

Cooper is, incidentally, a member of Mensa, the society for people who can arrange five matches into squares and solve anagrams, and thus think they are brighter and more deserving of a decent life than the rest of us.

Celine looks like the perfect travelling companion – and the Ed agrees...

PHOTOS: RUDEBOY

Well, as the long British winter drags on into March, Club Editors' thoughts generally turn to fucking off somewhere warm for a couple of weeks with one or two of the girls in tow for some hard work shooting a couple of location sets to keep everyone's peckers up back home! See, he's good like that – always thinking of others before himself. Anyway, this year it seems he decided Celine here was worth inviting along for the annual jolly, and you can see what he was thinking of, can't you?

So, Celine, have you got any ideas why he might have picked you out to come along this year?

"Because he thought I was a good model and would look great in Club of course! There was certainly nothing unprofessional in our behaviour, that's for sure!"

We wouldn't dream of suggesting there was. The Ed doesn't swan off to sun-traps with sex-crazed girls just for fun, after all – it's his professional job! ♣

SEX TIPS FROM THE TOP

Film superheroes' dating advice for ordinary blokes with no powers or rocket-propelled armoured outfits at all

TONY STARK a.k.a. IRON MAN

Hi there, doll. Oh, sorry – you're a bloke. Whoops. Wait 'till I adjust my stereoscopic interior helmet viewing eye-holes and get a proper look at you. Ah, there you are, nicely in focus. And a fine-looking specimen you are.

As you probably know, my real name's Tony Stark, squillionaire weapons manufacturer and brilliant scientist, and inside this ludicrous gold and crimson titanium suit that encases my body beats a heart that's supplemented by more power than you could screw out of Sizewell B.

Again, as I'm sure you're aware, I had a reputation for being something of a favourite with the ladies before I made the dramatic leap from industrial magnate to super hero magnet, but these days any girl who takes me on had better be ready to deal with the fact that old Iron Balls here comes packed with the very latest and most powerful accessories. Accessories that can kill a little, or thrill a little. It all depends how much juice I pump into the given device. And in addition to the heavy-duty stuff, I have several more delicate gadgets that extend from my fingers and can stimulate a woman in almost every way imaginable.

But it's not just all the whirring phalluses I

can crank out of my arse and groin when I take a woman to my big fancy titanium bed. Being Iron Man I can impress her in far more subtle ways than the goods under the hood, so to speak. First off, there's my paint job. Pure dead sexy. Women respond to pretty titanium armoured power suits the way that they respond to cars. It can be a Lada, but as long as it's pink, purple, gold or scarlet, man how she wants a ride...

Oh, and the other thing about being Iron Man that I love? Well... when you get bored with a woman you just discard them, right? This is where I score over the common bloke any day. If I chuck a woman, we're talking about a throwing-someone distance of approximately 14 miles. And she ain't gonna walk back and yap at me after that.

Just don't get me started about fisting. I've reluctantly obliged several women in that particular activity while wearing my armour and let's just say that so far there have been very few positive outcomes.

pair of big suckable, fuckable tits was instantly unleashed.

"I want to feel you between these," she smiled, pushing her boobs together invitingly.

I was hardly going to refuse. Straddling her, I put my cock between her massive boobs as she clamped them round my stiff shaft.

My pre-cum oozed out and lubed me up to tit-fuck her. She darted her tongue out and began to flick it

across the tip of my cock every time it emerged from between her fleshy jugs.

"Do you ever watch porn?" she asked after a couple of minutes.

"Yeah, of course," I replied.

"Good, then I hope you're going to shoot your load all over my face and tits like they do in the films."

Holy shit! Here was an offer I really couldn't refuse. I increased the tempo of my bucking as she continued to lick the tip of my cock. I could feel my balls starting to tense. Sensing me getting closer, she really started wanking me with her tits in time with my thrusts.

"I'm gonna... gonna...come..." I stammered. I leant back and unleashed a incredible torrent of hot sperm over her face. Within seconds her lips were covered in my hot cream, as was her chin, and her neck. I

"I hope you're going to shoot your load all over my face and tits like in the films."

looked down at her and she looked back at me, covered in my jizz, saying nothing.

For a moment I panicked. Had I gone too far? Had she been joking about the facial? Then I saw her tongue ease its way out of her mouth and lick a trickle of my jizz from her lips. "Yum!"

"You liked it?"

"I loved it. Now I hope you've got enough left for my pussy..."

I certainly did – and have done about a dozen times since our first meeting. OK, so sometimes I miss my old girlfriend, but I'm not looking to get coupled-up again just yet!

her. She was soaking now, and breathing in the musky scent of her juices had got my cock rock hard. I was aching to fuck her, but first I wanted to make her come.

My lips, tongue, and fingers kept working in unison until she was panting and gasping. Her fingers gripped my hair more tightly, her pelvis pushed up to meet my lips, and now she began bucking and moaning. I kept my lips clamped in place on her clit, and my fingers pressed against her G-Spot. I felt her juices run down my fingers as her body began to spasm. "I'm coming! I'm fucking coming!" she wailed.

After a few moments she pushed my head from between her legs. Looking up at her, I saw her eyes sparkling, her hair all over the place, and her bra still on. As if reading my mind, she reached behind her back and undid it. A lovely

As far as I'm concerned, it's always an extra special issue of *Club* when you feature Suzie, so naturally I was delighted to see the wonderful spread you had of her in the current issue (38.02). I couldn't agree more with your comments about her – she's got an absolutely unbelievable arse, definitely worth mentioning alongside the likes of Sandy and Stella! Let Natasha and Jana bring some sunshine into your life!

Well well, not only have we managed to tempt the delectable Natasha Marley back into the mag, but we've also teamed her up with the red hot Jana Cova, for what has to be one of the best double acts since, umm, Morecambe and Wise.

"So what, you're saying we're like a couple of old comedians?" enquired Natasha, her thighs suddenly snapping shut before our eyes.

Only in terms of quality, love! The whole nation treasures Eric and Ernie, and we're pretty sure anyone who cops an eyeful of you two in full flow will feel exactly the same way – except perhaps a whole lot hornier as well! PLANE KIT

Planning a flight, but fancy some insulation from the herd? Then you've come to just the right place...

Back in the golden days of travel there was nothing more thrilling than waltzing through an airport, breezing through security and taking your ample seat on a plane, rocketing through the sky while gorgeous women in skimpy uniforms served you well mixed martinis. However, that was a very, very, long time ago...

Today, air travel is nothing less than a Wes Craven designed nightmare of mouth-breathing zombie hordes, savage cavity searches, suspicion, paranoia and fear – and that's before you even get on the plane.

Once aboard, unless you've paid out a king's mortgage for first class, you'll be invariably rammed between two lumbering fatties, a row in front of Mr and Mrs Ineffective and their hyper, screaming, chair kicking brats.

As to the once gorgeous stewardesses, they've long been replaced by the orange-faced, disinterested

version. A version that couldn't give a toss about you, your comfort or anything you want, let alone rustle up a half decent cocktail.

So is there any escape? Thank to technology, the answer's yes...

Plextor Media-X PX-MPM500U

Price: around £180

www.plextor.com

It may not look like much, but this incredibly slim and light hard drive sits at the very core of your airborne isolation. Thanks to a whopping 500GB capacity you can store epic amounts of high definition movies to keep you entertained no matter how long the flight. But what use is a HDD full of films if I can't access them without rigging it up to a laptop?

Well, stop

right there, for this is no ordinary HDD, it's a media player too...

Capable of upscaling to 720p, all you have to do is plug this into any convenient screen, such as a TV or the cunning tech-specs coming up next, and you had instant celluloid gratification at your fingertips, and the snoring fuck sat next to you will cease to be an issue. Unless he smells of wee, of course; there's nothing we can do about that.

Myvu Crystal Video Eyewear

Price: around £300

www.myvu.com

Ever wanted to look a bit like that blind fella from *Star Trek: The Next Generation*? No, neither have I, but if I have to look a bit of a twat in order to enjoy the movies stored on my Plextor (say it a deep, booming 'time of legends' voice) or on my iPod in full VGA resolution, hands-free and as though I had a full screen right before my eyes with the widest field of view, then I'll gladly look a twat.

The thinnest, lightest

and most durable video eyewear available (yes, others do exist), the Myvu even comes with noise cancelling earphones attached to complete your ultimate in-flight cocoon of cinematic segregation.

Sony X Series Walkman

Price: TBA

www.sonymstyle.co.uk

Sony are continuing to try and chip away at the iPod and, maybe, just maybe, this new little wotnot can do some damage.

Featuring a 3-inch touchscreen OLED screen, stunning sound quality thanks to S-Master Digital Amplifier and Clear Audio technologies along with built-in digital noise cancellation, it also scores over the iPod in that it provides open support for all music and video formats, and includes Wi-Fi connectivity for

easy streaming.

Available in 16 and 32GB capacities, the X-Series comes complete with everything you need to slip into a sonorous coma for the entire duration of your flight. Well, almost...

Sony MDR-NC500

Price: £180

www.sonymstyle.co.uk

These cool cans from Sony can cut out up to 99.9% of ambient sound, and that, as far as I'm aware, is the most available. This means that with these comfortable ear cosies strapped to your head not only will you look like a Cyberman/Craig David/a technology hack, but all but 0.1% of the irritation that is the sound of others vocalising their inane thoughts and breathing through their mouths will be eliminated, allowing you to concentrate on your movie or music.

The rechargeable battery gives you a good 15-hours of operation, which should be ample to see you safely to any destination undisturbed by the screams of teething babies, uninformed chatter, and of course the cries of "Allahu akbar!" as shoe/paperknife-wielding terrorists storm the cockpit. Maria's looking forward to her first taste of pussy

PHOTOS: VIVTHOMAS.COM

Maria looks like something of a fresh-faced young innocent, so it's doubly nice to see her sharing her charms in Club. So tell us, are you really new to all this?

"Absolutely! I've only done a couple of shoots so far, and I'm still finding my way – but I'm really enjoying myself. I can't think of anything better than being paid to play with my pussy while someone takes pictures. Well, maybe one thing better..."

Go on, what's that?

"Well, what I'd really like to do is play with another girl's pussy! I've never done it before, and just the thought of it makes me so horny!"

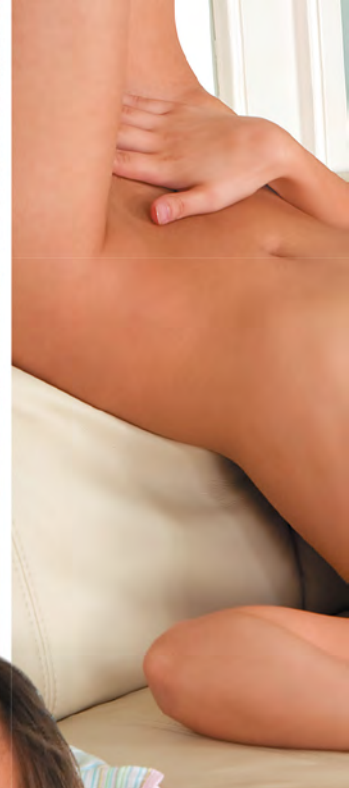

Well we're pretty sure your wishes will come true before long! ♣

THE ITALIAN NUT

We're all for cars that are too loopy to ever go on sale, so all hail the MiTo Marangoni M430!

You'd have thought the Fiat 500 was the only small car Italy ever needed to build. Decent original models are now selling for thousands, and since this icon of urban chic was revived last year, it has become even more of a 21st century motoring must have than the MINI. Now, though, the 500 has been joined by another beautiful bella – in the shape of the Alfa Romeo MiTo. It's on sale in UK showrooms now, and with prices from about £11,000 it looks like a right bargain. But to show the potential of this sexy little Italian job, tyre manufacturer Marangoni has only gone and blown the bloody doors off!

While the MiTo Marangoni M430 isn't even officially sanctioned by Alfa, it surely provides a preview of the forthcoming GTA model. Of course, those dramatic, Lamborghini-style scissor doors would never make it onto a production car, and neither would the daft red tyres, naturally made by Marangoni. But inspiration has been taken from an even more exotic Italian

source elsewhere – as the name suggests, designers have drawn heavily from Ferrari's F430 supercar.

The aggressive front end features a low spoiler with a pair of huge air intakes that could have been shaped in a Maranello wind tunnel. These direct the flow of air straight to the uprated brakes. The standard MiTo's nose is racy enough, but on the M430, the grille is new, while further setting it apart are that unmissable tyre tread-style finish on the bonnet and two-tone paint job. Oxigen Crystal 18-inch arches fill the wheelarches, and combine with the side skirts to give the car an purposeful profile. The fact the M430 sits 4cm lower to the tarmac only adds to the drama.

At the back, the bumper has been removed and replaced by a carbon fibre diffuser, which incorporates

F430-style air extractors. Quad stainless steel exhausts hint at the mechanical changes Marangoni has carried out, while more carbon fibre appears in the trim around the tail-lights and the rear window spoiler.

Inside, you're left in no doubt about where this car hails from – red, white and green are all

over the seats, rooflining and carpets. Plus, for fans of bling, Swarovski crystals have been crafted into the

ALFA ROMEO MITO MARANGONI M430

JOB

gearknob, pedals, footrest and handbrake.

The layout is cute and functional, yet at the same time very Alfa Romeo, with deeply cowlled instruments and circular themes throughout. The cabin is comfortable, and while it doesn't feel as solid or precise as some of the best Germany and Japan have to offer, that only adds to the appeal.

Especially when you turn the ignition key and hear the throaty engine roar into life – higher-quality plastics might drown out the sound it makes! It's been uprated from the standard MiTo's turbocharged 1.4-litre powerplant, and delivers nearly 70bhp more, its 220bhp taking the M430 from 0-60mph in around seven seconds and on to a claimed 125mph top speed.

These figures tell only half the story, however. Even from low revs, the special MiTo feels alive and responsive. Every touch on the throttle is rewarded, and the sense of speed is heightened by the wonderful sound that fills the cabin whenever you put the engine under any kind of load.

Equally impressive is the effect the larger alloys, wider tyres and lowered ride height have on the driving experience. While the standard MiTo delivers the kind of crisp involvement typical of Alfa Romeo, the M430 is much sharper.

The steering is rich with feedback, and while the tail will skip out of line without too much provocation, it's reassuringly easy – and incredible fun – to get things back under control. What's more, the modified brakes add to the responsive feel, providing the kind of stopping performance you'd expect from 10-pot calipers and large-diameter composite brake discs.

So this definitely isn't a car you'd want to let Michael Caine chuck off an Alpine ravine. Like all the best things in life, the Marangoni M430 is a one-off. Still, if Alfa can match these thrills and performance with its imminent MiTo GTA, it could run off with a lot of the MINI Cooper and Abarth 500's precious gold. ♣

HOT SEAT!

Anna looks like she's sitting pretty...

PHOTOS: STEVE COLBY

By our reckoning, Anna here is the third new face we've featured this issue, and we're not even half way in yet! We don't know where these lovelies have been hiding all this time, but we're certainly glad they've decided it's high time to pay Club International a visit at last. So Anna, what exactly brings you to these hallowed pages?

"My boyfriend, I guess. He's been telling me for ages I ought to try my hand at modelling, so I got in touch with an agency a few weeks back, so here I am – peeling off my panties and fingering myself for the readers of Club!"

Sweet! Erm, while you're here, do you fancy a little vibe action, for viewers of Paul Raymond TV and visitors to paulraymond.com?

"Sure. I'd be happy to!"

BRAKE THE HABIT

There was an older man who was married to a much younger woman, and he was having trouble lasting long enough in bed to satisfy her. So he went to the doctor and was told he should pleasure himself before having sex and that way he would last longer.

The next day, as 5 o'clock rolls around, he gets a call from his wife who says she's very horny. On his way home, he remembers what the doctor said and decides to knock one out before he gets home. He thinks, "Well, I can't do it in the car, but if I get under it I can pretend I'm fixing my car." So he gets under the car, closes his eyes, and starts pumping away.

A few minutes later, there's a tug at his trouser leg. In order not to lose the image of his beautiful wife,

he doesn't open his eyes, but just shouts out, "What is it?"

"I'm a police officer. What are you doing down there?" comes the reply.

"I'm just checking my axle, officer; I think it's

come lose."

"Well sir," says the policeman, "while you're down there, you might want to check your brakes as well – your car's crashed into a tree down the road." *Steve, Hull.*

HOOFERS AND TWEETERS

Three sisters, Monica, Phoebe and Fanny went to buy some new dancing shoes for a party.

Monica buys size 9, Phoebe buys size 10, and Fanny buys a whopping size 12.

At the party Fanny sits alone watching her two sisters hoofing it up, when two guys approach them and say, "Wow, those are big feet!"

Monica and Phoebe reply, "If you think these are big, wait till you see our Fanny's!"

Gareth, Brighton.

GIT-FACED

Apparently the latest craze with clubbers is to fill a woman's pussy with vodka and drink it out through a straw. Experts are now warning about the dangers of minge drinking.

Pete, Crewe.

REST IN PEACE

Betty married and had 13 children. When her husband died, she married again and had 7 more children. Again, her husband died. So she remarried and this time had 5 more children. Alas, she finally died herself.

Standing before her coffin at the funeral, the vicar prayed for her. He thanked the Lord for this very loving woman and said, "Lord, they're finally together."

One mourner leaned over and quietly asked her friend, "Do you think he's talking about her first, second or third husband?"

The friend replied, "Actually I think he's talking about her legs."

Ryan, Glasgow.

THAT'S YOUR LOT!

One morning, as they were lying in bed, a wife turns to her husband and says, "I dreamt they were auctioning off dicks last night. The big ones went for ten quid and the thick ones went for twenty quid."

Intrigued, the husband replied, "How about the ones like mine?"

"Oh," says the wife, "they were giving those away for nothing!"

"Hmm," replies the husband, "I had a dream too... I dreamt they were auctioning off pussies. The pretty ones went for a thousand quid, and the little tight ones went for two thousand."

"And how much for the ones like mine?"

"That's where they were holding the auction."

James, Wolves. ♣

FEEL THE FORCE!

Let Angel tempt you over to the Dark Side...

PHOTOS: STEPHEN HICKS

We're not altogether sure when we last featured the alluring Angel Dark in the pages of Club, but given the way she's looking right now, we've got to say the answer's got to be "Too long ago!". I mean for fuck's sake, look at her, will you! Oh, you already were? Fair enough. Those boobs are just about perfect, while her arse, pussy and (go on, call us old-fashioned) face are all straight out of the drawer marked "Items for the assemblage of the ultimate porn model".

Anyway, to make up for the fact we've probably seen less of Angel in recent times than we really ought to have done, we reckon she deserves the centrespread slot this month. And what a gorgeous looking slot it is... ♣

WHY DID YOU WANT TO APPEAR IN CLUB INTERNATIONAL?

Club's always been my favourite mag – the girls always look so much classier than in the other mags – and the idea just sort of grew on me over the last couple of years...

FROM THE LOOK OF THINGS, THE IDEA OF MODELLING ISN'T THE ONLY THING THAT'S GROWN ON YOU...

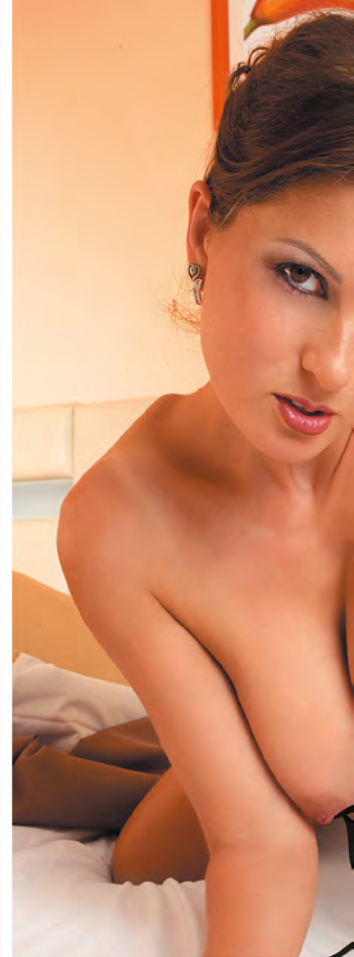

What, you mean my boobs? Yeah, it never normally takes guys long before they notice them! Not that I'm complaining – it's great to know you've got two fantastic ways to attract a man's attention sticking right out in front of you!

WELL YOU'VE CERTAINLY GOT OUR UNDIVIDED ATTENTION. HAVE YOU GOT ANY PARTICULARLY KINKY EXPERIENCES YOU'D LIKE TO SHARE WITH OUR READERS?

Loads of them! Probably the best, though, was when I had a threesome with a friend of mine and her then fella. You can't beat pulling a thick cock out of your friend's pussy and giving it a suck! We all came so often that night I was amazed any of us could even walk the next day!

ANY MESSAGE FOR CLUB?

Yeah – sex is meant to be fun, so if you've got any fantasies that don't involve anyone getting hurt, go for it! ♣

DARREN EMERSON

Global Underground 36: Bogota

Daz Emerson has had some right luck recently – he's bangin' Kate Thornton and

recording in Bogota! 2 CDs full of tech house include stuff from Underworld, Josh Wink, and Big Daz himself. This is a one way ticket to shaven snatch if the girl mentions Ibiza.

COURTNEY LOVE

Nobody's Daughter (UMC)

Courtney's 2nd solo effort is surprisingly good – she's had a helping hand from Smashing Pumpkin Billy

Corgan, so if your girl likes bluesy rock, Nobody's Daughter will guarantee some dirty action in the bedroom.

GLENN TILBROOK & THE FLUFFERS

Pandemonium Ensues (Quixotic Records)

Last year ex-Squeezer Tilbrook played the worlds

highest ever gig half way up Mount Everest to raise some brass for a cancer hospital in Nepal. What a legend! This comes with some guest guitar work from Johnny Depp, no less, and some lovely stuff from tasty blonde bass player Lucy Shaw. If you like shagging your Mum's mates then get a copy of this. A MILF lover's dream.

KID BRITISH

likes bum sex!

Club chats to Kid British vocalist and all round geezer, Simeon Mclean...

What jobs did you do before all the music stuff began?

Before we got signed I was a trainee fireman doing my probation. We went to a few fires but they were pretty shit to be honest – all smoke and no flames.

Was it a good crack sliding down the pole?

We had the biggest pole in the West Midlands and 'cos I was the new boy I had to do a lot of the demonstrations when the kids came round. I used to slide all the way down it and the kids would clap. It was a big old fella – about 4 floors in total.

Bravo! Ever been in bother with the Feds?

Nothing serious – just when I was young. I used to go round poppin' tyres with my cousin. My Mum had a set of old swords in the house and the first day we moved into this house in Withington in South Manchester, we went down the whole avenue slicin' tyres. It was a nightmare the following morning 'cos no one could get to work.

Happy days. Where is the best place on the planet?

Ibiza. We've been there the last two summers. It was amazing. It opens up your eyes – before I went there I loved all types of music but I was doing more of my hip hop stuff and when I got out there I was like, "The world's big, man." There's so many cultures in Ibiza. When we got back we just cracked on and since then it's all worked, so in a way, Ibiza is part of that.

Good stuff. What is the weirdest thing you've done?

When we got back from Ibiza, we wanted to get noticed in some way – so we started doing our shows in dressing gowns. It actually worked. People would be thinking, "Are you having a laugh?" But then they realised it was just a bit of fun and the music was good at the end of the day. We didn't want to look like hardcore gangsta rappers so we just wore dressing gowns!

Did you finger any girls at school?

I was kinda hated by the girls at my school – it was one of them where I thought I was so cool that they didn't like me. But a lot of the girls from the other schools liked me 'cos they didn't

know me! But I was a late starter – my first kiss was about 15.

Do you get many groupies?

Not yet, but I've been told they're all to come. I've got a bird at the moment and she's worried that that'll happen and I'm not saying that it will happen – I love her to bits – but it's all part of the rock'n'roll package!

Any kinky fetishes?

Well, I'm an arse man. I do love anything to do with girls' arses.

Do you like a bit of Ass To Mouth (ATM)?

I'll probably get in trouble if I tell you. I'm not saying no, but I not saying yes!

Good lad. What nationalities of girls have you shagged?

White girls, black girls, Thai girls – a good mix.

Classic! And how would you like to be remembered?

As a guy who didn't take life too seriously and knew how to have a good time. And with a hard-on, 'cos it's a bit small when it's soft!

Top man Simeon! Keep on pumpin' those backsides.

Kid British support The Enemy on a 26 date tour throughout March and April. Get down there – it'll be full of fanny!

Love!

HOUSE OF THE DEAD: OVERKILL

(Sega) Nintendo Wii

★★★★★

Although serious gamers will never be persuaded, one thing the Wii is totally cut out for it's arcade transfers – hence the success or previous incarnations of arcade favourite HOTD. Well, here we are in 2009, and an upgrade of this zombie-zapping classic was getting a bit overdue, and lo! here it is! To counter the fact that the Wii's graphics aren't its strong suite they've given the whole thing a gnarly lo-fi look (in keeping with zombie flicks like *28 Days Later*) and it works a treat. The menacing undead are suitably unrelenting as they shuffle towards you, but hey – you can blow their fucking heads off! What better way could there be to deal with a day's pent-up frustration than that, eh?

WIN WIN WIN!

That's right, we've got copies of this zombie-zapping meisterwerk to give away to 5 lucky readers. Just tell us who had a hit with 'Zombie' back in the 90s, and post it to **Club's Fruity HOTD Competition**, PRP, 2 Archer Street, London, W1D 7AW to reach us no later than March 27th – or email your answer to clubint@paulraymond.com

STREET FIGHTER IV

(Capcom) PS3, Xbox 360

★★★★★

Talking of arcade classics, they don't come any more classic than Street Fighter! There have been countless incarnations over the years, but this latest offering is very much in the spirit of SFII – with the action set between that of II and III. While backgrounds and characters are given a 3D makeover, the fighting itself is still resolutely its 2D, six-button old self, but don't be fooled into thinking it's just the same old game with a graphics makeover. There are plenty of new special moves to master, including the thoroughly cinematic Ultra Combo. As well as the original characters from SFII a few more have been thrown in as well, bringing the total to 19. And if you want the total arcade experience, bespoke SF joysticks are in the pipeline as well. Go on, you know you want to!

SEGA MEGA DRIVE ULTIMATE COLLECTION

(Sega) PS3, Xbox 360

★★★★

Can anyone remember all the way back to the 1990s? When all we had to entertain ourselves of an evening was maybe a wooden bagatelle or a set of skittles out in the back yard? Oh, but hang on – according to our big book of historic pastimes there was the Sega Mega Drive as well! If you're old enough to remember your Mega Drive, this little bundle should bring a huge wave of orgasmic nostalgia crashing over you, as you pop it in and survey the array of 40 games all transferred from Sega's classic 16-bit platform. Sonic I, II and III are there, of course, but also other anthropomorphic heroes like Ecco the Dolphin as well as pioneering titles like Space Harrier and Columns. For a fun retro evening, why not stick on your Ace of Bass compilation (on CD!) and immerse yourself in a world of bygone treasures!

ON THE GO

TALKIN' BLUE

Got an experience to share? Then send it in to Talkin' Blue at the usual address and if it's up to scratch you'll bag yourself £50!

THAT'S AMORE!

Last Summer I had an administrative job at a language school, where kids from all over the world come for a month or two to improve their English, and while the job itself turned out to be pretty gruelling (lots of early starts and headaches over kids who kept injuring themselves or getting lost), there was one factor that more than compensated. Her name was Adrianna, and she was one of the Group Leaders looking after the Italian contingent.

Ever since a holiday to Italy when I was about 14 I've been of the opinion that Italian girls are the sexiest on the planet, and when I was introduced to Adrianna on the day the students arrived she certainly confirmed my beliefs! She was curvy in all the right places, with dark hair and the most gorgeous brown eyes I'd ever seen, and I vowed there and then to try and get

to know her a bit better. From the smile she flashed at me as we parted that first day, I hoped she might be feeling the same way.

First things first, and I spent most of the next couple of days working at ironing out the problems that arose from the influx of students,

"She groaned as my mouth clamped over her left boob..."

but by about half way through the first week things began to ease up, and on Wednesday evening I found myself in the campus bar having a well-earned pint or three. There I spotted Adrianna and headed over to join her. She spoke excellent English, although it turned out

she'd never visited the country before. Naturally I offered to be her guide if she needed any assistance, and she grinned again, saying she was sure she'd manage alright. Still, I got her a drink, then another and another as we chatted about the students, and then Italy.

Feeling emboldened by the drink, I asked her if she had a boyfriend back home, and she smiled again. "No," she said, eventually. "I had one, but he was too silly so we split up before I came away."

I don't think I disguised my pleasure at hearing this news very well, because she gave me a sly look and said, "And anyway, I don't really want to stick to one boy just yet." Instantly I felt my cock twitch as I realised this gorgeous girl really was probably up for it, but I tried to be nonchalant, replying, "Ah, quite right too!"

Nothing happened that night (she had an early

start the next day), but after I'd walked her to her room she turned and kissed me, sliding her hot tongue into my mouth momentarily before saying, "Good night. See you tomorrow, I hope!" Too bloody right she would. "Same time in the bar?" I suggested, and she grinned and nodded. When I got back to my room, I couldn't help having a wank as I contemplated the delights to come!

Next night there she was, and we carried on where we'd left off, before she said, "The drinks are so expensive here. I have a bottle of grappa in my room, if you want to share..."

I've never finished a pint so quickly, and within five minutes we were back in her small room. "Are you thirsty?" she asked, as she fished the bottle down off the shelf, to which I couldn't help replying, "Yes, but not for grappa." She turned, smiled, and then our lips locked, as I frantically explored the inside of her mouth with my tongue. Her firm tits pressed against my chest as she pulled me closer before we tumbled onto her bed.

I wasted no time in getting her top off, exposing the most fantastic breasts I've ever seen – not huge, but perfectly formed and topped off with large, dark nipples that we just begging to be sucked. Adrianna groaned as my mouth clamped over her left boob, tickling and teasing her nipple with my tongue while my left hand cupped her other breast, stroking the other nipple to erectness as well. I don't know if it was just her perfume or not, but she tasted and smelled unlike any English girl I'd ever been with, and this made me about 10 times hornier than usual. I noticed she'd slid a hand down the top of her jeans and was clearly rubbing her pussy while I pleased her tits, but before I'd had a chance to do anything about it myself, she pulled her hand out and rubbed her juice-smeared finger all over her free nipple. Eager to sample her sweet juices I switched tits, slurping the dewy nectar off her stiff nip while she slid her hand back down inside her panties.

By this time my cock was begging to be released, so I frantically unbuckled my belt and yanked down my trousers, letting it spring free. I kicked off my shoes and trousers altogether

while Adrianna slipped her jeans down over her shapely smooth legs. She's left her panties on – some gorgeous lacy ones that only served to heighten my arousal – and I lay down beside her, my face level with her crotch and my dick throbbing wildly beside her face. Adrianna didn't waste any time in grabbing hold of it, teasing and kissing the tip before slurping me down into her hot mouth.

I thanked God for the wank I'd had the night before (and again that morning!), because otherwise I don't think I'd have lasted more than a minute as she set about sucking my pole for all she was worth. Meanwhile I set to work on her pussy, at first teasing it through the thin material of her panties before easing them down her legs and gazing in wonder at her beautiful mound. It was lightly haired and trim, and smelled divine. I parted her sopping lips and eased one,

then two fingers inside her, making her groan and writhe in pleasure.

Pulling her on top of me, I was able to bury my face in her delicious snatch, pushing my tongue deep into her love hole and savouring her delicious honey as it flowed from her tight slot. She ground herself down onto my chin, clearly approaching an orgasm, and I kept my mouth clamped over her sodden pussy as she suddenly convulsed and shuddered through an almighty climax. By the time I came up for air, my whole face was coated with her juices, and I was desperate to get my cock inside her before I could hold out no longer.

Sensing this, she let my prick fall from her mouth and rolled off me. The bed was pretty narrow, so I had to get off while she lay down before me, her glistening thighs wide open and the most inviting looking pussy I'd ever seen in my life laid wide open for my throbbing cock. Slowly I fed my length into her burning love hole, filling her inch by inch until I was buried nut deep in her slippery hole. She was so wet I couldn't resist pulling right out again and smearing the tip of my cock all round her slippery lips before

"I parted her sopping lips and eased one, then two, fingers inside her..."

ramming it back in again, driving the breath from her as I set about fucking her with all the strength I could muster.

Adrianna was groaning and gasping with each thrust as I rammed into her, driving my cock deeper and deeper into her tight pussy, pausing every now and again to pull out and smear my juice-covered pole all over her slippery mound.

All too soon, though, I felt that familiar tingling in my prick, and grabbing my oily shaft, I gave it a couple of strokes before sending a long ark of spunk shooting up over her flat belly. My two recent wanks didn't seem to have left me too drained, and I spurted again and again, gasping and grinning like an idiot as I bathed her in my seed before finally collapsing beside her, panting and trembling as the after shocks of orgasm coursed through me.

We screwed again that night in the shower, and for the rest of the summer (well, what passed for a summer last year) we spent as much time fucking as we possibly could. We've stayed in touch since then, and she says she'll be coming back again this year – I can't wait!

Iain, Canterbury.

POON PARTY

My boyfriend has bought your mag ever since I've been out with him and I must admit to the odd sly wank over the letters when I get the urge, and recently I've even started frigging myself over some of the girls, too!

That said, I've always been a cock-loving girl and have only ever had a couple of rude

bottles of wine between the eight of us, we were eager to see what she had to offer.

She started with a few sexy outfits, you know, nurses and chambermaid type uniforms and invited us to try anything on that we fancied. Sandie disappeared off to get changed and took Sue, a statuesque redhead along with her, while I decided to try on a cute lacy baby doll nightie. Having had a few drinks I didn't see the point of changing in private, as we were all girls together, so I whipped off my blouse and pulled the flimsy see-through garment over my bare tits as a couple of the others whooped their approval at my lack of inhibition.

I found myself getting turned-on by their comments and pulled a few sexy poses like the ones I've seen in Club. As I cupped my boobs together and wiggled my cleavage in front of two girls sitting on the settee, one of them reached up and stroked my nipples, sending a shiver of excitement through my pussy.

At this point Sandie and Sue returned. Sandie looked amazing in her French maid's uniform and had put on some stockings and high heels to complete the look, while the skirt of Sue's nurse's outfit was so short we could all see the pink thong that barely covered her pussy.

Timing her pitch perfectly, Amanda began to distribute a fantastic selection of vibrators and dildos amongst us. Giant pricks made of rubber; double-ended latex dicks, butt-plugs and weird shaped monster dongs that made the mind boggle were passed around our giggling party.

Sandie immediately took the perfectly formed

fumbles with girlfriends in the past but last month that all changed and boy, am I glad it did.

Sandie, my mate from work had arranged one of those sex-toy parties for a few mates at her flat and as it was just for the ladies, we ended up letting our hair down and really going for it. Amanda, the demonstrator had brought two large cases of wares to show us and after a few

8" black fake cock and began to suck on it like a slut, slurping up and down the shaft as the rest of us egged her on. My pussy was soaking and by the way some of the others were squirming in their seats, it wasn't just me gagging for some sort of relief.

Grabbing a hard plastic vibrator, I slid it gently up Sandie's stockinged legs and rested the tip against her pussy mound. As I did so one of the other girls started groping my tits, while another undid my jeans and dragged them down over my thighs, revealing my naked slit for all to see. Sandie pulled aside her panties and I inserted the vibro into her sodden twat, pushing it all the way up her before flicking the switch. She she sank to her knees and groaned as the vibrations coursed through her cunt.

"I ground the sex aid in and out of Sandie's glistening twat..."

By now most of the girls were either playing with the toys between their legs or rubbing them on their tits, while watching the action developing in the centre of the room. Spurred on by their attention, I ground the sex aid in and out of Sandie's glistening twat, spreading the thick fanny juice around the top of her thighs and all over her stocking tops. Someone behind me was kissing my arsecheeks and pressing the tip of something big against the entrance to my already gaping hole.

Looking round, I saw it was Sue with the double-ended dick working on my cunt and I pushed my crotch down onto the bulbous tip in order to speed things up. Jeez, it was massive and stretched my walls as it penetrated my love tunnel. Once it was firmly embedded in my snatch, Sue swivelled around on the floor and spread her legs wide. She wriggled her arse closer until she had the other end of the fake prick positioned against her own twat. I don't think I've ever seen anything as horny as seeing that decoy dick stuffed in her cunt and mine at the same time! It was fantastic to feel it sliding in and out as we moved our hips back and forth in unison.

With a yell, Sandie came all over the vibrator that I was working into the folds of her muff and I came too as a pair of warm lips closed around one of my nipples while Sue jerked the dildo inside me at the same time. As I climaxed, my face was inches from another girl's twat, also stuffed with rubber cock and I hungrily tongued her clit, sending her over the top, the goo oozing out from around the bright pink shaft as she orgasmed.

Amanda dragged the cum-coated toy from the girl's hole and sucked it clean, showing a dedication to her job that sure was quite impressive!

The party continued until Midnight, by which time, I'd tasted more pussy and sucked more tits than most girls do in a lifetime. Amanda sold out of all her pussy-pumping products and everyone agreed we had to make this a regular monthly girls' night in!

OFF YOUR HEDONIST

So what's pitched up for review in this month's Club? Well, this lot, basically...

RATINGS: ★ AVOID IT ★★ ILLEGALLY DOWNLOAD IT ★★★ BORROW IT ★★★★ RENT IT ★★★★★ GO OUT AND BUY IT!

Splinter (Icon Home Entertainment)

Small town America spends a lot of its time being hounded by one nasty or another (think *Tremors* or *Planet Terror*), but in *Splinter* British born director Toby Wilkins has come up with a monster that'll definitely give you the creeps!

Paulo Constanza and Jill Wagner star as a young couple who, having headed off for a romantic weekend camping (shades of *Eden Lake* here!) find things going pear-shaped when they're carjacked by a couple of junkies, but it's the parasite infected creatures that are after their blood that really fuck things up for them. Having won six awards at the Horror Film Festival, *Splinter's* guaranteed to keep horror fans happy as long as the ride lasts! ★★★★★

The Rocker (20th Century Fox)

The American Office's Rainn Wilson stars in this comedy as a drummer dumped by his band just before they went mega back in the 80s, and seriously aggrieved about it ever since. Luckily, a shot at redemption comes when he moves in with his sister, only to find that his nephew's high school band is in need of... a drummer! Could this be his chance to make it?! Have a guess. Directed by *The Full Monty's* Peter Cattaneo, this is a droll family flick, over which the spirit of Jack Black looms large. ★★★

Hunger (Pathé!)

We don't often get to review a film directed by former Turner Prize winner, but this portrayal of the 1981 hunger strike by Bobby Sands comes courtesy of Steve McQueen, who pipped Tracy Emin's *unmade bed* back in 1999. While the artistry of the direction here is exemplary, this shouldn't be taken for an art-house film – it's a compelling take on a pivotal time in British (and more obviously Northern Irish) life, as Michael Fassbender's captivating Sands protests against the treatment meted out to him and his fellow inmates by slowly killing himself. Astonishing and powerful stuff. ★★★★★

Plus One (4DVD)

Can you think of anything worse than your girlfriend leaving you to marry Duncan from Blue? Apart from leaving you for Lee Ryan, that is? Well that's what happens to Daniel Mays' Rob Black in this likeable comedy that recently aired on Channel 4, and he's desperate to get himself a suitable girl (the plus one) to take along to the wedding, although surely most blokes would steer clear of a wedding that involved their ex and a boy band member, wouldn't they? Still, there wouldn't be much of a plot then, would there? And to be fair, there are plenty of gags here to keep you interested, so thumbs up, really. ★★★

The Survivor (Britfilms.tv)

Robert Powell clearly specializes in miraculous roles, from Jesus bringing the dead back to life to, erm, some bloke in *Holby City* doing the same, but in this intriguing Brit psycho-horror from 1980 it's Powell himself who avoids death. He's the pilot of a jet that crashes, killing all on board except himself. So how come? Well, the creepy music hints at something strange going on, and given this is based on a book by James Herbert, you can expect the unexpected. With the plane wreck looming large over this intriguing forerunner of *Unbreakable*, *Survivor* is an interesting peroid-piece. ★★★

Yesterday, Today and Tomorrow (Eureka)

We're always up for a bit of Italian New Wave (it always looks good on the shelf) – and we're doubly keen to take a gander when it involves one of the sexiest women the last century produced, Sophia Loren. In this 1964 flick from director Vittorio De Sica she stars alongside the great Marcello Mastroianni, each taking different roles in three separate tales from Milan, Rome and Naples. Loren is red-hot in each of her guises, a cigarette seller, a bored housewife and a call girl, while Mastroianni oozes charm and sophistication. They don't make them like this any more. ★★★

West End Jungle (Strike Force Entertainment/Network)

Working in Soho, as we do, we couldn't resist a look at this one when it flopped onto the *Club International* reviews desk, and we're glad we did! Back in the 50s, it seems, you couldn't walk out of the door in Soho without tripping over a dozen prossies, but when the law clamped down illicit operations went underground. This salacious documentary (originally banned upon its release in 1961) essays the ways the local clip joints and strip clubs round here set about parting optimistic punters from their cash. Sleazy, seedy, jazzy and really pretty funny, this is a slice of lost British history laid bare. ★★★

Tipple

Each issue, purely in the interests of investigative journalism, Club's dedicated team will be tracking down and taste testing some premium booze just so we can give you the lowdown. This month we go back to black...

Jim Beam Black

What...

As well as being a king among biscuits, every drinker out there will know that Bourbon is a particular American variety of Whiskey, distinguished by the fact that it has to be distilled from a grain mixture that comprises at least 51% corn. It can, in theory, come from anywhere in America, but Kentucky has for a long time been considered the spiritual home of the stuff, and Jim Beam is, without a doubt, Kentucky's leading 'still.

Why...

The Jim Beam operation, founded rather confusingly by a Jacob Beam back in the 18th century, have been honing their skills for over 200 years, first with their regulation Bourbon, then tweaking things a bit along the way to create, amongst others, this 8-year aged Black label. At 43%APV it's not only stronger than it's white-labelled stablemate, is also more rewarding thanks to its smooth finish.

Where...

On the porch of your shack, with your toothless ol' Ma and Pa smoking corn pipes on either side of you, of course.

When...

Whenever you feel like having a proper man's drink that'll leave you in no doubt that you've just had a slug.

How...

Ice and a little water should do the trick, although there are plenty of cocktail options, like the classic Whiskey Sour, which needs nothing more than some lemon juice and sugar.

Who...

You, if you think you're man enough! ♣

PEACHES

It's the only place to find all of your bum banter and tales of backdoor fun – every month!

JACUZZI FLOOZIE

I had to write and tell you about an amazing experience. I'd been under a lot of pressure at work with deadlines, so when I had the day off I decided to make the most of it with a relaxing Jacuzzi at my local spa. I'd had the Jacuzzi to myself for about five minutes, when a heavenly creature of about 27 joined me in it.

Long blonde hair, about a 34D, and wearing a bikini rather than a one-piece swimsuit. Suddenly this Jacuzzi was making me stiff instead of relaxed! We both sat there, saying nothing. My mind had gone blank when confronted with such a hot, fuckable babe.

After another ten minutes she left and headed for the changing rooms. I cursed myself for my inaction, then headed for the male changing rooms. I decided to ease some of the frustration by heading for the club's bar afterwards to have a drink. As soon as I walked in I saw Miss Perfect standing at the bar. I stood by her at the

bar waiting for the barman to appear.

Finally plucking up my courage, I turned to her: "Excuse me, but can I buy you a drink?"

She turned her head and, seeing who it was, pondered for a moment before accepting. Once I'd paid, we headed off to a sofa in the corner.

"So do you usually buy strange women drinks here?" she asked, smiling. Unable to think of much of a reply, I instead asked her, "Well, do you often accept them?"

At this she looked thoughtful again, before leaning towards me. "Only when I need some help," she replied. As we drank up, she explained the whole thing. It seems she had a boyfriend who she was keen to get rid of, but he was proving pretty hard to shift, and when she'd seen me looking at her in the Jacuzzi she'd had an idea of how to get rid of him. "If he comes home and finds me fucking someone else,

that should do the trick!" she announced at last.

I was speechless at first – definitely up for the fucking bit, but not so sure about the getting caught part, but she insisted he wasn't violent and I had nothing to worry about. I must have still looked a bit hesitant, because she suddenly took my hand and guided it up under her short dress, where my fingers brushed against her uncovered pussy lips, sending a jolt of electricity to my cock and making it leap to attention. That was it – I was definitely having some of that!

Within 15 minutes we were back at hers. She led me up to her bedroom, dropped to her knees in front of me, pulled down my fly, and eased out my stiff cock. Feeling her wrap her lips around my helmet was fantastic, and after a while I had to stop her in case I came there and then. I wanted to fuck her first.

She'd said her boyfriend would be back around 5.15, when his lectures had finished for the day at the local college, where he was studying nursing. I felt a slight pang of guilt as I looked up at the clock that had now reached 5.10pm.

"No time to lose!" she announced, hitching up her skirt and laying down before me. Her pussy was completely shaven, and I could see it glistening as she writhed on the bed. "Come on! He'll be here any minute!" she urged, and without further ado I got on top of her, feeding my aching prick deep into her delicious love-hole. Looking down at the sight of my cock plunging in and out of Sammie's tight, shaven snatch quickly put any feelings of guilt out of my mind!

Sure enough, as I continued pounding that sweet cunt, we heard the front door open. I stopped.

"Keep going" she ordered. I didn't need much persuading. We heard footsteps coming up the stairs. Holy fuck, this felt good! I've never been caught fucking before and the idea of being caught ball-deep in another guy's stunning girlfriend was acting as even more of a turn-on. The door opened.

"Sammie...what's...what's going on?"

"What do you think Mikey? I'm getting fucked. That's what's going on."

"But...why?"

"It's over. I need a real man."

I had slowed my pace now, but was still easing in and out of her as she conducted the conversation. There was no way I wanted to lose my erection before I'd shot my load inside her. Mikey's sensitivities would have to be forgotten.

"But...but..."

"Mikey, what the fuck is that?" With my cock

inside her, she nodded towards a growing bulge in his trousers. "You dirty bastard. You're getting off on this, aren't you? Aren't you?"

Shyly, Mikey nodded.

"Then you might as well make yourself useful for once in your fucking life. Come here and stick that cock up me."

Woah! Things were taking on a life of their own. Was this what I wanted? The idea of a threesome had always appealed, but with two women, not two men. Anyway, what was I supposed to do?

Sammie looked me in the eye and smiled.

"Would you mind fucking my arse?" she asked?

Well, when a horny girl asks you that, it'd be rude to refuse, so I nodded dumbly. Pushing me off, she beckoned Mikey to lie on the bed, his stiff prick sticking up proudly and ready for action. Then, after lowering her pussy down onto his pole, she spat onto her hand, smeared the saliva round her arsehole, and looked over her shoulder at me. "Come on then, I want to feel that prick of yours in my arse!" she growled.

Unsure about the logistics of a DP, it took me a while to work out where to put my knees, but after a bit of jiggling about I was ready and, after rubbing some gob onto my own cock just to be sure, I angled the tip down and pressed it against her tight ring.

At first nothing happened, and I pushed

harder, then harder still until suddenly her brown hole opened up and sucked my helmet inside, clamping around my shaft as I eased it further and further inside her beautiful bum.

Before long I was buried nut-deep in her arse, just trying to hold on as she began to ride her boyfriend's cock. I could actually feel his prick through the membrane that separated her pussy and arse, and, had it not been for every ounce of self-control I possessed, could easily have unloaded up her jacksie there and then. Still, desperately trying not to think about the fact that my cock was embedded in the peach

arse of this beautiful blonde while her boyfriend was fucking her cunt, I hung on for as long as I could. I didn't have to do anything myself; her sphincter gripped my tool and massaged it as she rode Mikey, sending the most incredible sensations up my pole and through my entire body.

Suddenly she upped the pace, clearly approaching her orgasm as she writhed around in the middle of this cock sandwich. Holding on to her hips for dear life, I desperately clung on as first she, then I came, pumping jet after jet of silky come deep into her bowels as her bum spasmed and juddered round my cock. The feeling was unlike anything I'd ever felt before as she slammed her buttocks back against me, draining my balls of every last drop before she finally looked Mikey in the face and said, "He's just filled my arse with come. Are you ready to do the same to my cunt?"

Mikey grunted his assent and, with my cock still buried deep in her bum, began driving his prick into her furiously. It only took a couple of dozen thrusts before he let out a huge groan as he flooded her cunt with his come.

When we were done we were all panting and gasping, trying to get our breaths back, before my wilting cock finally slipped out of her well-used

bum, followed by a trickle of my spunk. Then out flopped Mike's prick, and Sammie (as I now knew her name was!) reached down between her thighs, scooping up our combined seed and feeding a palmful of the stuff into her own mouth. Jeez, this was some girl!

It turned out Sammie had no intention of dumping Mikey at all, although to be honest I didn't feel too angry at having been dragged into their sex game by deception. In fact I was 100% up for repeating the whole thing, but it seems the pair of them prefer to keep it to new faces, rather than get properly involved with a third person. Fair enough, I guess, but they've got my number, and I'm hoping that one day they might fancy hooking up again!

Brian, Shoreditch.

BROWN WINGS AND A PRAYER

I've been obsessed with bum sex for as long as I can remember – in fact Peaches is the main reason I've always been a Club man – but I'd never found a girl who was up for giving me my brown wings – until I got together with Helen a couple of months ago.

Helen was actually a mate of my previous girlfriend, and although I'd always fancied her, after I split up with Fran I figured I'd probably never see her again. However, when I clocked her browsing in a local bookshop I figured I might as well go up for a chat, and things developed from there.

We'd been seeing each other for about three weeks when, one night when we were in bed round at her flat and starting to get a bit frisky, Helen suddenly stopped and asked me if there was anything in particular I'd really like to get up to in the sack. Obviously anal sex was the first thing I thought of, but I was worried she'd think I was a perv, so for a while I kept quiet.

"Come on!" she said after a while, I'm not going to be shocked, you know!"

Figuring it was now or never, I spat it out; "I really love your arse... and I'd love to fuck it."

Immediately I thought I'd overstepped the mark, because Helen looked shocked. Then, seeing my embarrassment, she laughed and said she knew it – Fran had told her all about it. I felt mortified, but then she reached down and gave my cock a squeeze; "It's alright – I love anal!" she grinned.

My prick sprang to life as I realised I was finally going to get my brown wings!

"I've got some lube in the drawer there," she said, "it makes things a bit easier."

Sure enough, there was a plastic bottle of transparent lube, which I passed to her. "No,

you can do it if you like," she said, and my cock gave another throb at the prospect.

Helen wriggled out of her panties and, turning onto her front, offered her gorgeous bottom up to me. I drizzled a couple of drops of the lube in the region of her warm arsehole and started to massage it in.

"Better use a bit more than that," she instructed, "and rub some on your cock as well." I was happy enough to do as I was told, and smeared a load more of the slippery stuff round her bum, using a finger to push some inside while I was at it. Her arse felt so hot and tight round my finger I couldn't wait to get my

"My fat cock slid easily into her tightest hole"

cock in there, and slathered my aching tool with the stuff before lowering myself onto her.

"OK, gently does it," she said, as I pushed the tip of my prick against her slipper back passage. It met with a little resistance at first, but with another push the lube did its job, and my fat cock slid easily inside her tightest hole.

"Mmm, that feels good!" she groaned. "Just stay still for a moment while I get used to it." That was fine with me – the feeling of her tight arse clamped around my cock was amazing, and I snuggled up behind her, embedding fully every inch of my cock in her arse.

After a minute or two she slowly began to thrust her hips up and down, fucking herself on my prick while I stayed as still as possible, savouring every sensation as each ripple of pleasure massaged my cock. Once or twice the lube had me slipping out of her, but pushing my

bell-end back into her ring was so sweet it just made things even better.

Helen hadn't been lying when she said she loved anal – before long she was grinding herself onto me like her life depended upon it, desperately trying to get every inch of my bloated cock into her back passage until, with a juddering and a cry like I'd never experienced before in my life, she jerked through an almighty orgasm. It seemed to go on for ever, until eventually she collapsed down on the bed, with my throbbing dick still buried in her arse.

Now it's my turn, I thought, and while she lay there panting, I started to pump her rump, slamming my prick into her and pulling out so far I could feel her sphincter squeezing my helmet until, unable to stand it any longer, I unloaded, jetting the entire contents of my balls deep into her bowels in the most incredibly orgasm of my life.

Finally drained, my lubed-up cock slithered out of her twitching hole and I lay beside her, smiling and panting.

"So what do you think of that?" Helen asked, looking at me with a twinkle in her eye."

"Fucking amazing!" was all I could say. "Absolutely fucking amazing!"

"Well play your cards right and there's plenty more where that came from," she smiled, and that's exactly what I have been doing ever since – and she wasn't kidding!

SCRUFF JUSTICE!

Whether it's girly/girly, war-themed parody or out and out filth, we've got something for everyone!

RATINGS: ★ BATTLE OF: THE BANDS ★★ THE BOYNE ★★★ THE BULGE ★★★★★ THE SLUTS ★★★★★★ THE PLANETS

Jana Cova: Lust (Digital Playground)

Well, seeing as we've got her snuggling up with Club fave Natasha this issue, let's check out what else Jana Cova's been up to lately. First up is a girly threesome with Marlie and Andie before we cut to some hetero, in which Maya Gates takes a good bugging. More lesbiage from Jana (with Sammie Rhodes this time) leads us in to a nicely shot b/g featuring the cute Leigh Livingston and then it's Brianna Love's turn to share sex toys with our heroine. The strongest scene, though, is the last, in which the filthy Bobbi Starr (see last month) dons some silly glasses and a couple of no-nonsense cocks as she takes a frantic bumming. OK, so Jana's on the cover, but this girl steals the show. ★★★★★

Operation Desert Stormy (Wicked Pictures)

This picked up Best Sex Comedy at last year's AVN awards, so if it's out and out gonzo filth your after, save your bucks, but if you like to actually watch your pornos through and have a bit of a chuckle here and there, then this impressive release from Wicked just about ticks every box. Directed by and Starring Stormy Daniels, it's all about a hapless agent and his secretary's attempts to thwart Ron Jeremy's evil Hussein. That's right, it's a comedy/porno take on the Iraq war! It plays somewhere between *Carry On Follow That Camel* and *Team America* but with loads of boning thrown in. Can't argue with that, really! ★★★

Battle Of The Sluts (Evil Empire)

OK, so from what we can work out this is a compilation featuring the hottest scenes Naomi and Jenna Haze have shot for Evil Empire, but given that these are two thoroughly filthy girls and the sex is full-on, we're not going to complain! Both girls clearly love nothing more than shoving a fat cock up their shapely behinds, and don't waste much time going about it, as well as dragging in various flamerper chums to share the spoils. If it's a genuine competition in sluttiness, though, we reckon Naomi takes the crown, if only for the scene in which she gets bummed by every guy in a nightclub before being drenched in harry. What a girl! ★★★★★

LISA

CHAISE ALL THAT!

Lisa reckons beds are for boring old squares!

PHOTOS: JACK HARRISON

What's this? Another new face? Unless we're very much mistaken (and our memory has been known to slip before) Lisa here brings this month's tally of newcummers up to five, which has got to be a record of some sort. Still, who gives a flying fuck about the record book when you've got a shapely, leggy blonde peeling off and fingering herself right before your eyes? And is that the sweet smell of sex we can detect?

"It probably is," replied the statuesque saucepot. "I was just thinking about an ex of mine, who was the most amazing fuck I've ever had. He had a chaise lounge a bit like this, and we used to get up to so many filthy things on it my pussy's dripping just thinking about it!"

Oh really? What sort of things?

"Well, he used to stand me up and make me lean over the arms, while he buried his face in my cunny and arse, eating me out until I literally couldn't stand up any more, then he'd fuck me from behind for ages before filling me full of his come. Fucking on a chaise lounge beats a bed any day of the week!"

We'll take your word for it, love! ♣

BACK IN THE BLUE!

*Who could resist Veronica's
legendary charms?*

PHOTOS: STEPHEN HICKS

The Ed's never really been one for all that Spring cleaning guff, but he's got to admit it sometimes pays off after he found this set which was shot a couple of years back down the back of a filing cabinet when he was having a tidy-up the other week.

First things first, then, and he sat down and had a good look at it, with his office door locked, for a couple of hours before realising that it was high time the long lost set got it's first airing! So here it is – the inimitable Veronica Zemanova, featuring her trademark charlies and her resolutely unshaven fanny and reminding us all just how she came to be such a superstar of the top shelf!

To be perfectly honest, while the pictures might not be quite as old, we reckon this find has got to rank alongside the Dead Sea Scrolls for interest, and in actual fact we know which one we'd prefer to study in closer detail. Scraps of religious text are all very well, but fucking hell, look at those tits! ♣

GRIN AND BEAR IT

That's it, honey - just a few more strokes and I'll be there. Then I promise I'll get you that salmon you've had your eye on.

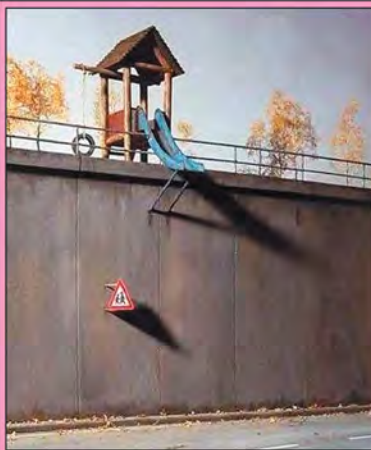

THE STREET MATRIX

Cheap urban theatre version. Act 1: Trinity manages to escape from Smith and his agents...

SPANISH FAMILY PLANNING

...Suddenly Pedro was starting to wish he hadn't complained so much about using johnnies.

WHEE...SPLAT!

Glitches in Milton Keynes' town planning still crop up now and then.

CRAZY DISCOUNTS

Could this be the real reason why MFI went tits-up?

DON'T FOLLOW THE YELLOW SHIT VAN

The really sad part is, the driver asked for a white van to match his driving style.

DISC WORLD

"Argh - I think I've got a scratch on my cheek!"
"It's alright for you - I've got a great fucking hole in the middle of my face!"

• **NEXT ISS**

A full-page photograph of a blonde woman posing in a white bikini bottom, looking over her shoulder at the camera. She is lying down, with her right arm raised and resting behind her head. The background is a plain, light-colored wall.
